**JOINT MOTION TO MODIFY THE CASE SCHEDULE**

Now comes Plaintiffs Root Inc., Caret Holdings, Inc., and Root Insurance Agency, LLC (“Plaintiffs” or “Root”) and the Court appointed receiver herein, Jerry E. Peer, Jr. (“Receiver”), and jointly move this Court for an order modifying the dispositive motion deadline to allow the parties additional time to obtain discovery from Defendant Silver pursuant to the Court’s March 10, 2025 Order compelling discovery responses from Defendant Silver.<sup>1</sup> A memorandum in support and proposed order are attached.

---

<sup>1</sup> Root and the Receiver have not conferred with Defendant Silver regarding this motion because it is impractical given his incarceration. Nor have Root and the Receiver conferred with Defendants Collateral Damage, LLC or Eclipse Home Design, LLC because these entities are unrepresented and in default.

DATED: June 2, 2025

Respectfully submitted,

**MEMORANDUM IN SUPPORT**

On December 30, 2024, the Court entered a scheduling ordering setting, *inter alia*, the discovery cutoff for May 1, 2025 and dispositive motion deadline for June 2, 2025. (ECF No. 280.) In the interim period, Root has diligently pursued discovery from Defendant Silver, including filing a motion to compel discovery responses.

On March 10, 2025, the Court granted Root's motion to compel and ordered Defendant Silver to produce responsive documents by April 10, 2025 and specifically warned Defendant Silver that failure to do so could result in a show cause order as to why further sanctions should not be awarded against him. On April 11, 2025—the day after Defendant Silver's deadline—Root filed a notice of no response from Defendant Silver. As of the date of this filing, Defendant Silver has yet to produce responsive documents.<sup>2</sup>

Should Defendant Silver continue to disobey the Court's Order, Root intends to move for a default judgment pursuant to Civ.R 37(b)(2)(A)(vi). However, should Defendant Silver ultimately produce responsive information, Root will need this information to support its dispositive motion(s). Accordingly, Root and the Receiver respectfully request that the June 2, 2025 dispositive motion deadline be extended by 60 days to August 1, 2025 to allow time for Root to obtain a default judgment against Defendant Silver or responsive information necessary for its dispositive motion(s).

---

<sup>2</sup> Root and the Receiver are also attempting to work with Defendant Silver and the prison to obtain access to a bank account held by Defendant Silver in Jakarta, Indonesia. That process has been frustrated by Defendant Silver's refusal to sign appropriate paperwork and the prison's repeated failure to make Defendant Silver available for routine phone calls.
